PROFESSIONAL SUMMARY

Assistant Professor in Pharmaceutics with over four years of teaching and academic experience. Pursuing a Ph.D. in Pharmaceutics, with research interests in nanotechnology and novel drug delivery systems. Experienced in scientific writing, student mentoring, academic documentation, and institutional quality-assurance activities.

ACADEMIC QUALIFICATION

Ph.D. in Pharmaceutics - Pursuing **Registration Year: 2026**

GES's Sir Dr. M.S. Gosavi College of Pharmaceutical Education & Research, Nashik-05
Research Title: Formulation, development & evaluation of Nanocarrier based drug delivery system of Cannabidiol for Skin Disorders.

Master of Pharmacy (Pharmaceutics) **2022**

MGV's Pharmacy College, Panchavati, Nashik-03
Research Title: Formulation and Evaluation of Nanosponges Loaded Hydrogel of Metformin Hydrochloride.

Bachelor of Pharmacy **2020**

GES's Sir Dr. M.S. Gosavi College of Pharmaceutical Education & Research, Nashik-05

TEACHING AND ACADEMIC EXPERIENCE

Assistant Professor (Dept. of Pharmaceutics) **September 2022 - Present**

GES's Sir Dr. M.S. Gosavi College of Pharmaceutical Education & Research, Nashik-05

SUBJECTS TAUGHT

Biopharmaceutics & Pharmacokinetics (Third Year), Novel Drug Delivery System (Final Year), Physical Pharmaceutics - I (Second Year)

ACADEMIC RESPONSIBILITIES

Member, NAAC Criterion VI Committee

CONFERENCE PRESENTATIONS AND PARTICIPATION

Presented Research Paper at National Symposium on "Advances in Natural Products Research Methodology" organized by the School of Pharmaceutical Sciences (SOPS), Sandip University during November 25th and 26th, 2022. Sponsored by the **Ministry of AYUSH**.

ACADEMIC AND TECHNICAL SKILLS

Research and Scientific Writing

- Scientific Writing, Manuscript Preparation & Review
- Research Documentation and Data Presentation
- Research Proposal and Abstract Preparation

Academic and Institutional Documentation

- Academic Documentation, Reporting & Record Management
- Preparation of Academic Presentations and Conference Materials
- Preparation of Institutional Reports and Quality Assurance Documents

Scientific and Digital Tools

- **BioRender** - Scientific Diagrams and Illustrations
- **Canva** - Academic Posters, Presentations and Visual Content
- **Microsoft Office** - Word, Excel and PowerPoint

ACHIEVEMENTS

Research Achievement: Two final-year B. Pharm students were selected for the **Zonal Level of the University-Sponsored Avishkar Research Competition 2026.**

Student Mentorship: Mentored final-year B. Pharm students who won a **Consolation Prize in Poster Presentation** at **METRxplore 2025**, organized by MET's Institute of Pharmacy, Nashik, on 8th March 2025.

Academic and Co-curricular Mentorship: Mentored students in curricular and co-curricular activities, including poster presentations, seminars, and academic competitions.

Student Development: Guided and encouraged student participation in institutional and intercollegiate academic events.

RESEARCH INTERESTS

- Nanotechnology and Novel Drug Delivery Systems
- Nanocarrier-Based Topical Drug Delivery
- Skin-Targeted Drug Delivery and Dermal Drug Delivery Systems
